Welcome to Your New Home – Built for Comfort, Style, and Lasting Quality.

This Features and Finishes Sheet highlights the quality materials, expert craftsmanship, and attention to detail that go into every home we build. From the foundation to the final touches, each feature is carefully chosen for durability, function, and timeless style.

FEATURES & FINISHES

Stunning Exterior Features

Architectural Design & Materials:

- Unique modern exterior elevations featuring high-quality vinyl siding (upgraded horizontal and board and batten) with vinyl trim. Stone skirt and manufactured brick as per plan.
- Corner and End Side Upgrade units accented with James Hardie board and batten and trim along exterior side as per plan.
- Pre-determined sitings and exterior colours conforming to zoning and architectural guidelines (builder-defined).
- High-grade architectural roof shingles with a manufacturer's limited lifetime warranty.
- Aluminum soffit, fascia, eavestroughs, and downspouts as per plan.

Foundation & Structure:

- 8'6" Foundation Pour. 6" insulation on basement walls (2" rigid and 2" underslab insulation plus 2x4 Batt insulation) as per code.
- Poured concrete 8" foundation walls with drainage membrane.
- 2" x 6" exterior wall construction with 1" rigid insulation. Exterior walls and top floor ceilings/attics insulated as per code.
- Reinforced poured concrete front porch with precast steps and 8" square posts as per plan.
- Prefinished aluminum exterior railing due to grade and municipal requirements. Exterior railings will only be installed when required by code.

Garage & Doors:

- 2" x 4" exterior garage wall construction and 2" x 6" interior garage wall construction with 1" rigid insulation.
- Private garage as per plans.
- Spray foam insulation in garage ceiling below livable space as per plan.
- Insulated fiberglass door from house to garage with door closer and deadbolt lock (if grade permits).
- Insulated premium sectional roll-up garage door with heavy-duty springs and rust-resistant hardware, featuring windows as per plan.
- One dedicated electrical outlet in garage.
- Electric vehicle (EV) charging rough-in in garage (Charging Unit not included).
- Garage door opener with one remote and keypad.

Windows & Doors:

- High-quality maintenance-free white vinyl casement/fixed windows with low-E and Argon Gas. All operating windows with screens.

- Maintenance-free white sliding basement windows, including window well if required. Egress basement windows as per plan.
- Fiberglass insulated front entry doors leading to common foyer (weather stripping and security deadbolt as per plan).
- Separate entry door with security deadbolt from common foyer to main floor and common foyer to basement apartment.
- Satin nickel grip set and deadbolt on front doors only.
- 6' rear sliding patio door on main floor as per plan.
- All building envelope perforations including doors and windows to be fully caulked.

Additional Features:

- Fully paved asphalt driveways.
- Fully sodded lots.
- Address unit number above garage doors as per plan.
- Gas line for BBQ.
- Front door chime.

Impressive Interior Features

Ceilings & Walls:

- 9-foot ceilings on the main level (ground floor) and 8' ceilings on second floor, except in areas where architectural designs, mechanicals or ductwork require ceiling height to be lowered, as per plan.
- Textured ceilings throughout, except for bathrooms, laundry and closet (finished areas only).
- Quality paint and primer throughout all finished areas.
- Step 5 ½" baseboards with 2 ¾" casing.

Floors:

- 3/4" tongue and groove plywood subfloors fastened with screws and glued.
- High-quality luxury vinyl plank flooring throughout main floor, second floor bathrooms and basement (excluding mechanical rooms).
- Berber carpet with foam underpad throughout second floor (excluding bathrooms).
- Soundproofing insulation between basement and main floor.

Staircase:

- Stairs from main floor to second floor with stained solid poplar railing (handrail, pickets and posts) and carpet grade treads and risers, as per plan.
- Stairs from main floor to basement with stained solid poplar railing (handrail, pickets and posts) and carpet grade treads and risers, as per plan.
- If required, step down from main hall to small area just before the laundry room, will be a solid poplar step stained to be the same colour as the railing on the staircase.

Doors & Hardware:

- 6'8" two panel square top interior doors throughout all finished areas, as per plan.
- Pocket doors as per plan.
- Satin nickel interior door hardware with levers.

Fireplace:

- Electric indoor fireplace on main floor as shown on plan.

Basement:

- Fully finished basement apartment/in-law suite with a private entrance (as per plan). Features include:
 - Open-concept living room
 - Full kitchen with island breakfast bar, including stove, refrigerator, dishwasher and over-the-range microwave hood fan
 - Full bedroom
 - 4-piece bathroom

- Laundry closet with stacked washer and dryer
 - Dedicated work-from-home area
- Ceiling height approximately 8', except in areas where architectural elements, mechanical systems, or ductwork require a lower ceiling (as per plan).
- Finished using the same color palette and materials as the main floor standards.

Additional Features:

- Built-in desk/shelves in work-from-home designated area, as shown on plan.
- Closets include shelf with rod. Linen closets with 5 shelves as per plan.

Gourmet Kitchens
